

# GREETING

Dear Citizens,

the nationwide Intercultural Week will take place again from **21 to 28 September 2025**. This year's motto is **"dafür!"** ("for it!").

**"dafür!"** – a powerful and deliberate statement!

It calls on us to **take a stand** and adopt an attitude of openness, respect and togetherness.

In the Wartburgkreis district, **invite you to join us:** with conversations, encounters, cultural events, workshops, sports, and creative activities – organized by local associations, initiatives, and action groups.

We look forward to your participation – whether as a guest, organizer, or supporter. Because: **Together, we stand for it!**

We would like to express our heartfelt gratitude to everyone who is committed to enriching the Intercultural Week 2025 in the Wartburgkreis district.

Your District Administrator  
Dr. Michael Brodführer
